## NOTICE TO RESIDENTS STRATA PLAN LMS-3432 THE PARK

JLK is scheduled to begin the townhouse repairs December 21<sup>st</sup>. The work will start with TH 1727 moving east. Once the contractors have completed two units, a timeframe for completion of remaining townhouses will be determined. The workers will be working Monday to Friday 7:30 a.m. to 5:00 p.m. Scaffolding will be installed around the townhouses (three at a time).

In order to install the scaffolding, the trees in the planters in front of the townhouses on Alberni Street must be removed, along with the trees in the divider planters at the back of the townhouses.

Residents with plants, trees, etc. in the upper planters are required to remove them. If you require assistance with determining which plants, please contact Kevin (building manager) at 604-518-8536.

The contractors will be sending further detailed notices to all townhouse residents with scheduling dates, removal of items, etc.

Concerns/issues should be directed to Vancouver Condominium Services at 604-684-6291.
